### **Employer Information:**

At McCain's, they know the importance that food plays in people's lives – the power it has to bring people, families and communities together. That's why their purpose brings together all the things which they value as a company - 'Celebrating real connections through delicious, planet-friendly food'. Making a difference today, tomorrow and for generations to come.

They do this by succeeding together with their teams, business and community partners around the world - because they know when they work and grow together, they succeed together. McCain Foods is proud to be a family and values-driven company. Their values are integral to their culture, helping to shape how they operate, how they work together and the choices that they make. Our choices are a big part of what makes them unique.

They know that nothing matters more in life than family. they are proud to be a family company, and they take care of business (and each other) like a family. Above all, the health and safety of their people, always comes first.
