Swiss Education Group has nearly 40 years' experience in hospitality, business, and culinary arts education. Today, it operates four of the world's top hospitality schools.

Swiss Education Group is a globally recognized institution that offers a transformative educational experience tailored to the dynamic fields of hospitality, culinary arts, business, and the thriving experience economy. Immerse yourself in an international community that celebrates diversity, fostering cross-cultural interactions and global perspectives.

Our comprehensive academic programs are meticulously crafted to equip you with the skills and knowledge demanded in today's ever-evolving professional landscape. Beyond the classroom, we will assist you as you embark on exciting and unique job and internship opportunities, opening doors to leading industries across the globe.

Swiss Heritage

Switzerland's reputation for luxury, quality, and exceptional service is world-renowned, and as a student in Swiss Education Group, you'll experience this heritage firsthand. Here, you'll gain the Swiss savoir-faire that sets you apart, making you highly sought after in the hospitality industry and beyond. By joining us, you're choosing one of the best hospitality management schools in the world, ensuring that you receive an education that opens doors to a successful and rewarding career.

Real-world experience

We offer our students invaluable real-world experience and help them connect with people at the heart of the business—both in the classroom and in the workplace. Our unique partnerships and internship opportunities open the doors to some of the world's top global names across a broad range of industries.

International Recruitment Forum
2022

Meet industry leaders

Our students have exclusive access to industry insights and hands-on experience through our prestigious partnerships with leading figures in hospitality, business, and culinary arts. Our students graduate ready to thrive in their careers due in part to the real-world experience, expertise, and invaluable connections they have developed through academic, practical, and professional collaborations with top-tier companies such as:

Personalized career support

8 A dedicated career services team provides students with one-on-one coaching and practical input – from writing a CV to preparing for an interview – to help students secure internships and prepare for employment. A Further Education counselor helps students identify their strengths and map out their steps after graduation, whether that is pursuing a graduate degree at one of our schools, stepping into the professional arena, or carving out a whole new path.

A stamp of approval

Our international academic and accreditation partners ensure that students' qualifications are recognized worldwide and that high-quality educational standards are upheld.

“What I learned at school has really been the guiding light for me in my career: that the customer comes first. I learned that both in my internships and at the school itself.”

Nicholas Argyrou (Cyprus)

1994 HIM graduate
Key Account Director
Baseblue

Access to professional *opportunities*

Twice a year, students gain exclusive access to the **International Recruitment Forum**. This is where students connect with recruiters from various industries, including hotel groups, independent properties, catering and events companies, retail, and banking, as well as airlines and cruise lines from around the world.

Key benefits:

100+ international companies | **3000+** professional opportunities | **Networking** with alumni

Connect with industry leaders

Get invaluable real-world experience. You'll learn from the greats, both in the classroom and in the workplace. Our unique partnerships and internship opportunities open doors to some of the world's top players.

A global *community*

The power of the IRF: The corporate recruiters pictured above are all alumni of Swiss Education Group schools.

With 35 chapters and over 25,000 members, alumni from across all of Swiss Education Group's schools have access to one of the largest hospitality networks in the world.

INSPIRING AN INNOVATIVE MINDSET

Bachelor of Science

THREE YEARS

Immerse yourself in a creative learning environment designed to ignite innovation while actively building the foundation for your future career success through the development of a personalized business plan. Benefit from joining one of Switzerland's only federally accredited hospitality business schools, an added certification that offers further opportunities for research, networking, and continuous learning.

This bachelor's program emphasizes an entrepreneurial approach to hospitality. Beyond traditional disciplines like service and food & beverage, the curriculum encompasses an in-depth business focus through subjects such as statistics, decision analysis, responsible sourcing, and sustainability. This approach ensures that you are equipped to meet industry demands, whether managing a business or running your own.

STUDENTS GRADUATE WITH A:

**Bachelor of Science
in Hotel and Tourism Management
from César Ritz Colleges Switzerland**

THE SKY IS THE LIMIT

Master of Science

15 MONTHS

Lead with confidence - this Master of Science program will develop your technical management abilities, improve your soft skills, and help you become a real change-maker as expected of leading positions in the global business arena.

Elevate your expertise through advanced courses, seminars, and certificates while honing essential soft skills such as Emotional Intelligence, Communication, Collaboration, and Problem-Solving through immersive practical programs seamlessly integrated into the coursework.

STUDENTS GRADUATE WITH A:

**Master of Science
in Leadership
from César Ritz Colleges Switzerland**

At César Ritz Colleges Switzerland, education is propelled by a hands-on, experiential philosophy that prioritizes learning through real-life contexts. A prime illustration of this is Innovation Week, during which students tackle challenges, formulate business plans, craft multiple prototypes, refine their storytelling skills, and perfect their pitch—all leading to a comprehensive project presentation before an esteemed jury.

21

“ César Ritz Colleges Switzerland provided me with a broad foundation that was easily transferable to different industries. It opened up the world for me. Studying abroad within such an international environment also gave me a cosmopolitan outlook for my career.”

Isabela Joffe (Brazil)
 2002 graduate
 Independent contractor
 Calibre One, Miami

Thanks to partnerships with industry leaders, you will gain key insights into real-life operations as the industry is brought into the classroom.

Passion *for* food, career *for* life

Launch your unique culinary journey at Culinary Arts Academy Switzerland, where your growth and success take center stage. Life on *campus*

It is important that you have an enjoyable learning experience. That's why we work hard to foster open and collaborative environments on all campuses so that students and faculty can thrive as individuals and as a community.

Each staff and faculty member is dedicated to mentoring and supporting students academically and personally during your time with us on campus.

EXPLORING SWITZERLAND AND BEYOND

Switzerland provides year-round opportunities for outdoor activities such as mountain biking, hiking, swimming, river rafting, sailing, water-skiing, golfing, horseback riding, and paragliding. Switzerland also offers an extensive range of cultural experiences.

Enjoy world-renowned exhibitions, trade fairs, film festivals, museums, and musical events throughout the year, or stroll through the many traditional Christmas, antique, and farmers markets.

And with its central location, you'll be only a few hours by train or plane away from Europe's top destinations.

A VIBRANT STUDENT COMMUNITY

From simply relaxing in a recreational room on campus to participating in an extra-curricular club, there are endless opportunities to connect with classmates and enjoy the SEG community.

Each term, you also have a chance to meet students from our other schools on Sports Day, a fun day of sports competitions held on our campus in Brig.

Grow. Discover. Have fun.

40

Swiss Education Academy gives young people and families the opportunity to explore their interests, unlock new passions, and make new friends in one of the most beautiful countries in the world.

Dynamic summer and winter programs take a holistic approach—blending engaging, hands-on learning with

experiences that boost confidence and create lasting memories. Young people aged 10-20 can explore the art of Swiss hospitality, unlock new opportunities with a language course, or bring their love of food to life. We also offer programs for families that enable them to explore Switzerland, its unique culture, delicious food and, invigorating alpine outdoors.

“ There is only one word that describes this summer camp: amazing! The activities are great too, a brilliant way of getting to know students from around the world.”
