

GETTING STARTED: AARAO QR CODE SCANNING

01.

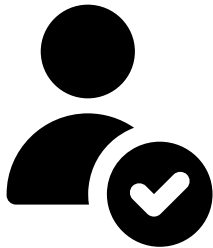

Register Online

Use the QR code or go to
<https://ca.simplyca.st/hwUm>.

This link will take you to the registration page where you can create your profile.

02.

Create Your Account

Enter your contact information, such as your name, email, and high school.

All information you provide is stored securely in Canada, ensuring your privacy and data protection.

03.

Get Your Personal QR Code

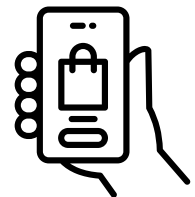

After registering, you'll get a QR code by email from AARAO. Check your spam folder if needed, then save it on your phone or print a copy to bring to the fair.

Use Your QR Code at the Fair

Instead of you filling out a paper form, exhibitors can just scan your personal QR code to connect with you and share further information.

04.

Atlantic Association of Registrars and Admissions Officers
